And more!

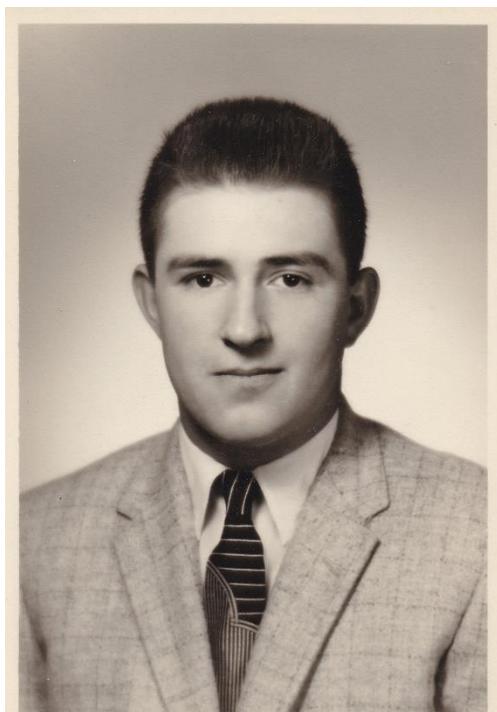

***** Highlight Seminars (new)*****

The 2022 conference weekend will feature Two highlight seminars which will afford a longer training session under a specific instructor. One of the highlight seminars for this year's conference will feature **Mr. Paul Fracchia** of Shito Ryu. Mr. Fracchia is a 9th Degree black belt in Shito Ryu and will be sharing a bunkai seminar.

Koinonia is the annual national conference of the Christian Black Belt Association and Shiho Karano Kai International. It has become a gathering place for martial artists and their families from across the country since its humble beginnings 32 years ago. The Christian Black Belt Association was founded in 1970 to provide mentoring, support, and training to assist Christian instructors in ministry. The Shiho Karano Kai International was founded in 1982 to meet the need of those martial artists seeking fellowship and training but who did not wish to be a part of the CBBA. Attendees are able to participate in eight (8) seminars during the weekend.

Koinonia also includes daily worship led by Conference Pastor, Fran Pultro from King's Highway Calvary Chapel as well as activities for the non-martial artist in the family including a Ladies Tea for wives, mothers and daughters of martial artists. Participants have their choice of accommodations from lodge to cabin style housing. The food is terrific and the training atmosphere is uplifting and inspiring.

Please see the 2022 schedule for further information!

During Koinonia 2022 we will also remember the life and ministry of Soke Clement G. Riedner, founder of the Christian Black Belt Association. Dr. Riedner went home to be with the Lord on September 15, 2021. Individuals who were unable to attend his original memorial service will have the opportunity to celebrate the life of Dr. Riedner with services held during the Koinonia retreat weekend.
